RE: Health Care - UAW-GM Striking Members

Dear Union Brothers and Sisters:

On Tuesday, September 17, 2019, GM informed us that health care was cut-off. On that same day, I sent you correspondence notifying you of that fact and assuring you that the UAW had you and your family protected.

Today, Thursday, September 26, 2019, in another attempt to toy with our lives and the lives of our families they say, GM health care will be back on.

Brothers and Sisters, these tactics by GM are shameful! I have attached all correspondence on this issue. Regardless of what position GM takes on your health care during our strike, please know that our Union is protecting you and your family.

In solidarity,

Terry Dittes
Vice President and Director
UAW General Motors Department
